**PRIYADARSHINI J. L. COLLEGE OF ENGINEERING,
NAGPUR**
Accredited with Grade "A" by NAAC
846, New Nandanvan Layout, Nagpur – 440 009

Institutional Distinctiveness

Vision of the institution is to produce engineers who are socially responsible & professionally competent to face the global challenges ahead. **Goals and objectives of Institution are** to ensure all-round development of students by providing co- curricular, extra-curricular activities, to develop engineering professionals having ethical values, skills & competencies, to develop leadership qualities and the ability to work as a team among students by encouraging participation in various activities and To fulfill the need of society & industries by promoting research culture.

The institution stands apart from all other colleges by placing greater emphasis on producing professional students by providing **value-based education** and enabling the students to face challenges in modern life. The institute aims at instilling a sense of self-discipline and accountability among students and developing a respect for democratic, ethical, and moral values. The college provides the best amenities required for students to enhance their Technical skills, Academics, and Extra-curricular activities and brings out the best in them. Every department are having their own student forum.

The Main objective is to nurture and develop an industry ready candidate. The placement cell is an integral part of our institution, ensures that the students are well trained and prepared to face their campus interviews effectively. The Placement cell has adopted an effective communication system - "LAKSHYA" to keep the students informed about potential job opportunities and guide them from time to time. Training is imparted to the students from their first year in soft skills. Students

get exposed to **soft skills and technical skills** from their second year, for which special training program is organised in college as "CRT", in which various activities performed to improve their hidden skills. As well as specific slot for the soft skill training is provided in regular academic time table slots in first year and second year.

Skill enhancement capsule involves industry experts visiting the campus, interacting with students, guiding & mentoring them to develop their skills. College organised intercollegiate project competition to give appreciation to students for their work. Institute always takes initiative for educational tour for students as we know the importance of practical knowledge. College perform the various activity for the placement of students. Institute initiated various job driven courses **such as Fundamentals of python programming, Advanced programming skills, Hands on Embedded C and 8051 embedded system, Stadd pro** and signed MOUs with industries and increased industry engagement with students. For the same, institute took initiative by participating in "Hackathon-Mayor Innovation Awards" to enhance student engagement with Industry experts. Such activities uniquely groom students and prepare them for their corporate journey.
